PARIS, NOVEMBER 18<sup>TH</sup>, 2024

## THE RITZ PARIS IMPERIAL TEA TIME

AN ENCHANTED INTERLUDE  
FOR YEAR-END CELEBRATIONS

The magic of the holidays is in the air at the Ritz Paris. From November 30<sup>th</sup> to January 5<sup>th</sup>, the exquisite Salon Marie-Louise will be hosting the Imperial Tea Time, an unforgettable experience in a historic setting.

Each service - at 1:30pm and at 4:30pm sharp - will take place like a performance in three acts, starring savory creations by Executive Chef Jérôme Legras and sweet creations by Pastry Chef François Perret. Dishes appear according to a finely orchestrated choreography, further elevated by the delicate chords of a harpist whose melodies seem to create a moment suspended in time.

la mélodie suspendra le cours du temps. With its refined and gourmet menu, this Imperial Tea Time honor the great holiday classics. On the menu: **truffled crisps, lobster, salmon or blinis with caviar**. As César Ritz was fond of saying, “The best is never too beautiful,” and the magic continues with hot dishes – **Comté cheese soufflé and truffled cream, or in chocolate** for the sweet version – will light up the eyes of children and the young-at-heart alike.

François Perret conjures the magic of childhood and participates in this enchanting moment by delighting guests with tasty **crêpes Suzette** prepared to order, while **scones** or an **apple puff pastry** are sure to stir up cherished memories. A new assortment of coffees and teas, to be chosen according to a playful olfactory ritual, will be served exclusively on this occasion.
